Steps for using NSF Data from
Survey of Earned Doctorates (2014)

Looking up recent graduates in a field by race, ethnicity and gender

2. Select the “Data” tab
4. Once there, select “Data Tables”
5. Option 22 gets you “Doctorate recipients, by subfield of study, citizenship status, ethnicity, and race: 2015”
6. Option 18 gets you “Doctorate recipients, by citizenship status and major field of study: 2005-15”
7. Option 16 gets you “Doctorate recipients, by subfield of study and sex: 2015”
